

Greater Christchurch Partnership Committee

Meeting summary Friday 13 March 2020

The vision for Greater Christchurch

By the year 2041, Greater Christchurch has a vibrant inner city and suburban centres surrounded by thriving rural communities and towns, connected by efficient and sustainable infrastructure.

There are a wealth of public spaces ranging from bustling inner city streets to expansive open spaces and parks, which embrace natural systems, landscapes and heritage.

Innovative businesses are welcome and can thrive supported by a wide range of attractive facilities and opportunities.

Prosperous communities can enjoy a variety of lifestyles in good health and safety, enriched by the diversity of cultures and the beautiful environment of Greater Christchurch.

Greater Christchurch Partnership Committee

The Greater Christchurch Partnership is a voluntary coalition of local government, iwi, health and government agencies working collaboratively for the prosperity of Greater Christchurch.

The Greater Christchurch Partnership Committee leads and coordinates the work of the Partnership.

One of the key functions of the Committee is to establish an agreed strategic framework to manage growth, and address urban development, regeneration, resilience and wellbeing matters for Greater Christchurch.

On significant matters the Committee seeks ratification from each individual partner governance.

The Committee met on 13 March 2020

The Greater Christchurch Partnership Committee:

- Received an update on the progress with the implementation actions in the Resilient Greater Christchurch plan since the Plan's adoption by the Greater Christchurch Partnership Committee in August 2016. The Committee:
 - Noted that the current action plan component is largely completed that it is timely to implement a new direction, ensuring resilience is integrated within the Greater Christchurch 2050 Strategic Framework.
 - Noted the next steps for the Chief Resilience Officer are to continue to explore opportunities to support the Greater Christchurch 2050 Strategic Framework and to report back to the Greater Christchurch Partnership Committee by July on the new Global Resilient Cities Network.
- Received an update on the implementation of actions outlined in *Our Space 2018-2048: Greater Christchurch Settlement Pattern Update Whakahāngai O Te Hōrapa Nohoanga*, the future development strategy prepared collaboratively by the Greater Christchurch Partnership and noted that further periodic updates, linked to key milestones, will be provided at future meetings of the Committee.
